SAI Vision Plan Goals

Spiritual Arts Institute

Since the passing of our beloved teacher Barbara Y. Martin into the Greater Life in 2024, we have been redoubling our efforts to build the next stage of Institute's growth to create an enduring and sustainable home for our metaphysical work.

Barbara was on a mission to bring The Kingdom of Light Teachings to the world and to contribute to a new spiritual era.

We are all pioneers in the spiritual work. May God's bless us in all we accomplish together.

In Love and Gratitude,
The SAI Board of Directors

Looking Ahead

Building
the Spiritual Arts Institute
Retreat Center

Spiritual Arts Institute Retreat Center

- As part of SAI's long-term vision, the goal is to build a metaphysical retreat center for spiritual training and hosting retreats.
- The center would comprise those who live on campus in the mystery school setting and those visiting for retreats and training.
- This was one of Barbara's most cherished goals.
